### BASEBALL

Every evening at Gyro Field there will be an exhibition of Donkey Baseball, the new side-splitting pastime.

Every afternoon at Gyro Field the Astoria Columbians will meet a picked Independent team.

## Coronation Ceremonies

This event is sponsored and directed by the Anchor Girls which is the women's auxiliary of the Astoria Yacht club. They have provided an elaborate program to be given under the flood lights of Gyro Field. City Manager James O. Convill will be Master of Ceremonies. Mayor J. C. Ten Brook will formally open the Regatta. A musical program will be provided by the Anchor Girls Drum Corps, the American Legion Drum Corps, an Orchestra, the American Legion Sextette which won first honors at The Dalles convention, a male trio and by Emile Lambert Burke, soloist. Dance numbers will be given by June Hope Wygant, Marilyn Loop, Marie Gammie and the Anchor Girls. There will be other numbers also.

A special feature of the ceremonies will be the presentation of the Rose Festival Plaque by the Royal Rosarians to the Anchor Girls Drum Corps, won at the recent Portland festival.

## Pirates' Den

Thursday, Friday, Saturday and Monday evenings, starting at 8 P. M. Elks Temple, Corner 11th and Exchange.

Where as merry a bunch of pirates as ever cut a throat or scuttled a ship holds forth in its haven of rest and refuge, to play hard, dance, sing, gamble with Lady Luck and make mad merriment through the night - and where there is open house to all who wish to join with them in a spirit of fun.

Those who have been to the Pirates' Den during the past Regattas need no other incentive to return this year. They'll be present to get a new taste of the pastimes of the Jolly Buccaneers; to lay their doubloons on the turning card, the whirling ball, the spinning wheel and the galloping dice; to dance away the gay hours; to have their fling at playing as did the cursing corsairs of old. New Regatta visitors should not miss this event, four nights on two floors of the Elks Temple.

The Pirates' Den is sponsored and directed each year by the Astoria Gyro club of which Dr. S. A. Kleger is president.

The swimming and water sports are strictly amateur and all prizes are trophies or merchandise. Sons of Neptune need no introduction. They have been with us in the past and we all hope they will be with us long in the future. Each year they have thrilled us with their wonderful showing, only to amaze us the following year with a more marvelous exhibition of real breath-taking, high class, water gymnastics.
